You can "clean up your act" by deciding to change when you have done something you aren't proud of or have made a mistake. Staying clean also means keeping your body free of harmful drugs.

This is a time to celebrate the many achievements and contributions of black Canadians who, throughout history, have done so much to make Canada the culturally diverse, compassionate and prosperous nation we know today. It is also an opportunity for the majority of Canadians to learn about the experiences of black Canadians in our society, and the vital role this community has played throughout our shared history.
